The Japanese healing art of Reiki was founded in the late 1800's by Reverend Usui. He opened a clinic in Tokyo that was headed by Dr. & Mrs. Hayashi until the early 1940's.

Reiki was brought to Hawaii by Mrs. Hawayo Takata right before World War II. Here, she initiated 22 Reiki Masters. One of them, who still lives on Oahu, is Master Harry M. Kuboi. He is a gifted and humble man who is led to do God's work. I am honored to be taught the traditional art of healing from Master Kuboi, to be able to channel God's love and light through the heart and soul to help mankind. I am humbled by my Reiki heritage and I commit my life to God, to do His work by training and bringing forth healers to help heal this Earth. May you seek the true and pure light of Reiki and may you be blessed with that peace in your heart to know that you can help this world.

God bless you!

Ich suchte auf Oahu eine Reiki - Klinik ; fand aber nur ein kleines Zentrum. Es wird von Judy Lau geleitet. Sie ist von Reiki- Meister Harry Kuboi autorisiert, unter seinem Namen auszubilden.

Die sitzende Dame wurde von Großmeisterin Takata in Reiki eingeweiht.

Harry Kuboi wurde von Großmeisterin Takata zum Reiki-Meister geweiht.
